“For God and Country”

September 2017

### Commander’s Notes:

On August 31<sup>st</sup>, 1<sup>st</sup> Vice Commander Bob Kamman assumed responsibility as our acting Commander. It’s anticipated that Bob will continue in this role for about 4 weeks. Please do what you can to support Bob, during my absence.

With the coming of September, many of our Americanism and Community programs will get underway, and our Fundraising and Post Activities will also pick-up. For successful implementations, all of these activities will require active participation and support by our membership. Please consider how you can help and make a contact with the appropriate Committee Chairman.

The Post is still looking for a member familiar with “Social Media”; Facebook, Twitter, etc., to join our Marketing Committee. If you can help out please contact me at 474-4194, or via email at [dabishop@fuse.net](mailto:dabishop@fuse.net).

### Fall Dance Schedule

We’re just a few short weeks away from the start of our Fall dance schedule. For this season, we have booked 4 bands to conduct 10 events between September 9<sup>th</sup> and New Year’s Eve. The schedule includes special events on Halloween and New Year’s Eve, and once again we will issue frequent dances cards, giving our customers a chance to win cash prizes.

For the fall season we have added *Blue Stone Ivory* to a lineup that also includes the *Cincy Rockers’*, *The Remains*, and *The Last Caballeros*. Like always tickets to all of our events, except New Year’s Eve, can be purchased in advance at [www.ShowClix.com](http://www.ShowClix.com) for \$ 10. Tickets purchased at the door are \$ 12.50. Admission to the New Year’s Eve event will be \$25 per person.

### UC Students Plan 9/11 Remembrance

The Young Americans for Freedom Chapter at the University of Cincinnati are planning to honor the 3,000 victims of the September 11 terror attacks by placing 3,000 small American flags in their quad. The hope is that this public display of flags will cause every student to take a moment to remember those who lost their lives on that day. Post 318 leadership believes this to be a worthy project on many levels and has agreed to support it by providing funds to help purchase the flags.

### Veterans Day Celebration

Post 318 will once again host the Veterans Day celebration sponsored by the Anderson Township Veterans Memorial Committee. The event will open at 5:00 PM with a cash bar, followed by complimentary dinner at 6:00 PM, provided by Belterra Park. Mt. Washington Care Center will provide dessert, and about 7:30 PM “*The Avenues*” will perform. This year’s entertainment will again be sponsored by Charities, Inc.

Reservations will be required for this event, and each veteran will be able to bring 1 guest. Total reservations will be limited to 200. Like last year, Post 318 members will be able to place advanced reservations, but there are no reservation guarantees. So, mark Saturday November 11<sup>th</sup> on your calendar and watch for information regarding when and how you can place your reservation.

### ***Fund Raising Update:***

**Bingo** – The Post conducts bingo every Sunday. Doors open at 4:30 PM, preliminary games begin at 6 PM. All your favorite “pull tabs” are available. The good news is our Bingo attendance is starting to increase. The bad news is, an increase in attendance will eventually drive a need to increase “worker bees”. You can support the Post by either coming out to play, or volunteering to work these events. Contact Bingo Manager, Ed Sears (474-0246) with any questions. For the month of August bingo earned \$ 4,669 and contributed \$ 868 to *Charities, Inc.* to meet our legal obligations.

**Euchre** – Euchre tournaments are conducted every Thursday night in the Club Room. Buy-in is \$10, \$5 going to the Post and \$5 going to prize money. This is a fun evening and is open to both our members and the public. Doors open at 6:45 PM, games begin at 7 PM. Contact Joe Baker (289-9044) with any questions. For the month of August Euchre contributed about \$ 500 to the Post.

**Kroger Community Rewards** – If you are a Kroger customer and are not currently supporting a charitable organization through *Kroger Community Rewards*, we would encourage you to do your part! Go on-line and sign up for *Kroger Rewards*, selecting *American Legion Post 318 Charities, Inc.* as your cause.

**PokerMania** – Our 1<sup>st</sup> PokerMania is in the books, and the financial results were mixed. The Post earned \$1,413.24, while Charities, Inc. lost \$371.26. Turnout for the event was very light, and 28% of our event volunteers were non-members. Whether we should conduct PokerMania 2 is currently under debate. However, should we move forward and conduct this event next year, we need to recruit and train more members to deal both Blackjack and 7 Card Stud. If you have ever played either game, dealing would not be a difficult challenge. Should you be interested in learning how to deal, please contact Don Bishop at 474-4194, or via email at dbishop@fuse.net.

### ***Charitable Giving***

Over the course of each year American Legion Post 318 Charities, Inc. (*Charities, Inc.*), contributes thousands of dollars to programs and causes important to our membership. The following is a summary of our May 2017 giving:

**Oratorical Scholarships** – Charities, Inc. paid out \$ 500 in scholarship money to American Legion Oratorical Contest winners.

**Ohio Veterans Home Golf Hole Sponsor** – The Post elected to provide \$ 75 in funding to sponsor a hole for

the Ohio Veterans Home golf outing. All proceeds from this event support activities at the Georgetown facility.

**VAVS Hospital Visit** – Members of the Post made a quarterly visit to the Cincinnati VA, where we entertained the resident patients and provided a light snack. Total cost of the event, \$ 92.02, was covered by Charities, Inc.

**Awards Program** – Charities, Inc., provided \$ 422.65 to purchase service awards and cover mailing cost associated with the Post 318 annual awards program.

**Annual Membership Dues; WWII, Hardship & 1<sup>st</sup> Year Members** – Charities, Inc. paid out \$ 480 to cover the annual dues of our WWII members, those members with declared hardships, and our 1<sup>st</sup> year members.

**Veteran Scholarships** – Charities, Inc. paid out \$ 2,000 in scholarship money awarded by the Post to local students.

### ***Post to Trial “Open Mic” Event***

Starting September 22, and every other Friday thereafter through December 1<sup>st</sup>, the Post is going to trial an “Open Mic” event. The goals of this program are to; 1) bring people into the Post, 2) enable us to promote our other events to a new audience, and 3) generate operating income. Should our goals be met, we would probably continue this event, long term. So, our success will depend on your support. If you have nothing going on Friday, September 22, check out Open Mic. There are no admission fees.

### ***Chaplin's Report***

Summer has flown by and overall, it has been a good summer. The awards day was fairly successful with over a 100 people showing up. Poker mania was not as successful, financially as hoped, but we did not lose money. Bingo has picked up in attendance, and we now look forward to the Dance Season.

Robert Calder got through his surgeries and is home letting his wife and family take care of him. Keith Musselman is getting out and about with the help of Legionnaires like Gary Gregorio. Our Commander was in the hospital but was able to get out for a while and help with Legion affairs. Now he is preparing for new surgery and we hope and pray for his quick recovery. Walt's wife, Cindy, had some procedures done and is doing well.

Our VAVS activity has continued with success and had five members assist me at the hospital playing bingo with patients and serving snacks.

Well if there is anyone needing assistance, or prayers, please let me know. Keep up the good work and stay healthy.

### ***Another Way We Support Veterans***

Charities, Inc. oversees a modest ***Military and Family Assistance Fund*** to help veterans in need. To give a perspective on what we do, below please find an email asking for help that the Post received a few days ago. While validating this family's need we discovered that their short story is; this veteran is severely affected by PTSD, he lost his job, became homeless, lost his personal property, lost custody of his children, now getting help from the VA, got the kids back, but still struggling. To help them get through this month the Post, through Charities, Inc., provided \$ 300 in financial assistance. We also offered to connect the family to a local church pantry where they would be able to obtain food. Did we meet 100% of their need? Probably not, but we did what we could! Should any of you decide that you would like to provide additional support to this family in the form of food, clothing, or financial support, please contact our Service Officer, Charlie Cleves (232-7767) and he will facilitate the distribution of these contributions.

And now for the story!

*Hello my name is Nicole, my husband Brett is a post 9/11 disabled navy combat veteran he has a 70% service connected PTSD disability that suddenly intensified causing him to have severe flash backs that I never seen before causing him to have a complete emotional/mental health breakdown that caused our family to go through a lot of heartache and stress and on top of it all our family has been dealing with the struggle of unexpected financial hardships due to my husband's PTSD getting worse. He is now undergoing intense weekly treatment at the Cincinnati VA Hospital to help him through the flash backs his deployments and working on the struggle he has been having adjusting to civilian life. We have 3 young children and are going without the basic everyday necessities a family with young children needs to survive through each month. We are in dire need of help this month with food, personal hygiene products for our family, gas to get to appointments, etc. We also are in such great need for help with household items (blankets, pillows, dishes, furniture, kids toys, clothes, etc. etc.) due to another horrible hardship that happened this year after a Public Storage facility wrongfully auctioned off all of our family's belongings over being short 100\$ to be our storage bill and auctioned off everything we've ever owned leaving our family with absolutely nothing to move into the house we were blessed to get into after overcoming being homeless last year when my husband was laid off from his cable contracting job with DirecTV. We have worked so hard trying to overcome*

*the difficulties and barriers we immediately experienced after we moved back to our hometown when my husband's military service came to an end. Right now we just so desperately need just a little help to get us through the rest of this month. We can't receive help from our local veteran service commission due to them helping us with our electric bill last month and everywhere else we've asked for help with food or gas gift cards this month keeps referring us back to the veterans service commission and not understanding that we already received help last month from the service commission and have wasted a lot of time reaching out to other local organizations just to be told to go to the service commission or red cross which is no help, our family is in such great need of help with food and gas for the rest of the month and scared we will be without until next month's disability check comes in.*

*If your organization can help our family in any way this month with some of our basic needs please contact us.*

*Thank you and God Bless!*
