

American Legion Post 318 Newsletter

“For God and Country”

August 2018

Commander’s Notes:

Here it is August already, and I could say Summer is on its last legs. Some people are please about that, others not so much. For me I’m anxious to get into September so that we can get our fundraising cranked up again. It’s tough to pay Post bills when there’s no money coming in!

We had a great Awards Program, with about 100 guests and award recipients present. We received a lot of compliments on the program and the commitment we have to the community. We even got a nice donation. A “big thank” you goes out to Randy Lindsey, Dan Wolfangel and Bob Kamman for all the work that they put into this event.

We are still seeking members to step up and fill our leadership positions; Americanism, Community Support, and Fund Raising. However, an alternative to becoming a committee chair would be to volunteer to take on an individual project/program, within a committee. Currently, all programs without a lead have been suspended. This impacts both our commitment to the community and our visibility. With your help, many of these programs could be restored. If you have a few hours to dedicate to a good cause, give me a call!

Jean Wilson Elected 2nd Vice

Jean Wilson, a dual member of Yeager-Benson Post 199 in Harrison, has been elected 2nd Vice Commander, Department of Ohio. Her selection places Jean in line to become the 1st woman Commander, Department of Ohio.

Jean has a resume filled with both community and Legion service and accomplishments. This includes, but is not limited to, holding offices at the Post, County and District level. She has served on the boards of both Joseph House and Fisher House and is a Hamilton County Veterans Service Commissioner. Jean is also the current President of the Harrison Mayor’s Fund for Needy Families.

We support Jean and wish her good fortunes as she progresses through the Department chairs.

Newsletter Survey

To prepare and distribute our monthly newsletter requires a significant amount of time and resource. Yet, it appears that it’s only being read by about 50% of our members. So, we’re trying to understand if it makes sense to continue this publication?

Here’s what we think we know! We currently have about 155 members. 125 of you (or 80.6%) have email addresses and were set up to receive the newsletter electronically. However, of this 125, 13 members have unsubscribed from our email service. This means that these members are not receiving any communications from us. We also have reports from our email service provider that 55.4 % of the remaining 112 members (or 62 members) didn’t open up the email message sent out last month providing the link to our newsletter. So our assumption is that at least 75 members (62+3) didn’t read our last newsletter. That’s 48.4 % of our membership. What we don’t know is how many of the remaining 80 members actually do read it, but our guess is something less than 100%.

Because we only have about half the story, we’ve decided that before we take any action that we’re going to take a survey. Specifically, if you are reading this newsletter we want you to send an email to Commander@post318.org. You can say something as simple as **“I read the newsletter”**, or if you want to express an opinion on this issue, please do. If you’re one of the 30 who get a hard copy, give me a call (474-4194). Remember, we have no way of actually knowing if you read our newsletter, unless you send a message, or contact us. However, if we don’t hear from you we’ll assume the answer is no!

We’ll provide the results in our next newsletter.

PokerMania

In support of ***Charities, Inc.*** fundraising, ***PokerMania II*** is being planned for October 13th. This is a charitable gaming event that will offer; Blackjack, 7 Card Stud, Texas Hold’Em, and a “Big 6” wheel.

To actually hold this event, we need to recruit, or train, about 11 dealers. If you have ever played either 7 Card or Blackjack, you are a candidate for dealing. Please consider if you can help with this event. Without membership participation, we won’t be able to generate the funds needed to support our programs.

Mentoring Opportunity

A mentoring community has reached out to Post 318 for an opportunity in Forest Hills School District. We are looking for some local veterans to meet with students at Turpin High School and Nagel Middle School. These children need some encouragement and friendship. Are you asking: What do I have to teach? This is not an academic mentoring. Meeting times vary. Some are during school, some are after school. They usually last for about an hour. If you have some time to spare this is an enriching experience.

For more info or to volunteer call 513-374-2099, or email me at weasellee@yahoo.com.

2019 Business Plan

The Executive Committee has recommended approval of the 2018-2019 Business Plan. This plan will be submitted for membership approval at our August 8th meeting. Copies of the plan can be reviewed and downloaded from our web site. A few copies are available for review at the Post for those without email access.

Ice Cream Social

August is hot... Join us in the clubroom for a cool event. We will have an ice cream social on August 7th, at 7pm in the Clubroom. Leave the heat and get some sweet.

Let me know if you are coming so I can get enough ice cream. I’ll have vanilla, chocolate, and strawberry ice cream. Toppings will be chocolate, caramel, whip cream and cherries. If you want anything else to top your treat with bring it yourself (if it’s really good bring enough to share). Cards and board games too!

Membership Update

Membership renewal is off to a good start for the month of July with 78 renewals towards our 159 quota. Percentage wise, our Post is leading the 4th District. Great job to everyone that has taken the time to submit their renewal. For those that haven't sent or submitted you renewals, I'm asking you to please take a few minutes and do this for the Post, community and my sanity. All 78 cards should have been received by their

owners by the time this letter hits your hands. The other request I have is for support in drumming up some new members. In order to reach quota this year we are starting out at a deficit of four (4). Also, every year we have 1 or 2 that decide not to renew. Therefore, my best guessment is that we are short by 6. If you know anyone who might at all be interested in joining our Post, please send them my way and I will be more than glad to follow up.

4th of July Parade

Twenty-seven members of the Post participated in this year's 4th of July parade. It was a good turnout and this year for the 1st time, our only marchers were the color guard and our bagpiper, Michael Gregorio. Everyone else had a ride. Probably a sign of the times, but a good time was had by all! Pictures of our participation in the parade can be found below. A "big thank" you to Ralph Caskey for pulling this event together.

Post Bugler Gets Gettysburg Invitation

100 Nights of TAPS, is a daily ceremony conducted in the National Cemetery in Gettysburg, PA., between Memorial Day and Labor Day. Co-sponsored by The Lincoln Fellowship of Pennsylvania and The National Park Service Taps For Veterans, the famous 24-note call is sounded in honor of those who have served our nation.

Post member and "bugler" Ed Ruffennach was asked to participate in this event. We would like to congratulate Ed on his selection. The picture below shows him performing at Gettysburg.

Post to Experiment with Virtual Meeting

Thanks to the efforts of Membership Chairman, Bob Kamman, the Post will conduct its 1st **Virtual Meeting**, August 8th. Our hope is that this technology will help us resolve a long standing problem, by allowing remote and home bound members to participate in our monthly meetings on a regular basis, at no costs.

Our initial trial will have two (2) Post members, connect and use this service. They will be able to see and hear the meeting and if they wish, they will be able to ask questions and participate in conversations.

When they connect to the service, we will know that they have joined the meeting, and their presence will be included in our count to make quorum.

If things go well, we will open the service up to any interested members. This will include help with installing the application, and demonstrate how to connect to the service. To participate you would need access to a PC, tablet, or smart phone and also have Internet Access. If this is something that you would have an interest in, please let us know.

Awards Program

The Post Awards Program was well attended. About 100 Post members and Anderson Township residents came out to recognize those within community who participated in our programs, made significant contribution to either the community or the Post, or were recognized for their continuous service as Legionnaires.

Special recognition was made to Chief Mark Ober, who is retiring after 42 years of service, Vicky Earhart for her service and contributions as a board member of American Legion Post 318 Charities, Inc., and Dan Wolfangel who was named "Legionnaire of the Year" for years of dedicated service to the Post.

Americanism Update

What a great year we had for our Americanism program: A and G winners, oratorical contest and Buckeye Boys and Girls State. We sent nine candidates to BS/GS this year and were able to honor three of them at the Awards Program. We had two lawyers and a bill writer. All had great things to say about BS/GS and told us some of the things they did. Hopefully I will hear from the others as the year goes on.

This year we handed out four scholarships to children of Veterans; two from Turpin, one from Anderson, and one from St. Ursula Academy.

One of our oratorical contestants could not be at the Awards Program because he was in boot camp for the Naval Academy. It is great that he was accepted there and I think that was a great excuse not to be with us.

With no designated chair, an alternative to suspending all Americanism programs is to find members willing to take the lead on individual programs. Jerry Porter is going to do A and G. Paul Henkel, whose son attended this year's Buckeye Boys State, has agreed to do the BS/GS program. The remaining Americanism Programs that still need someone to take the lead are:

- ***The American Legion Oratorical Contest*** – begins in September and ends in January
- ***The Veterans Scholarship Program*** – distribute applications to the high schools and then leads a committee to choose the winners.
- ***Educator of the Year*** – Interviews and documents the accomplishments of a FHSD Educator.

If you have any interest in helping out please contact Jerry Porter, or myself.
